

ATHLETIC FIELD RESERVATION INFORMATION

Applications for long term athletic field rentals are accepted three times a year for priority consideration. Applications for one time use will also be accepted year round and must be submitted at least two weeks prior to the event date(s). Applications will not be considered for priority assignments if submitted after the deadline.

As outlined in City Council Policy No. H-7 for Athletic Field Use, first priority will be assigned to City-sponsored or school district leagues/activities. Second Priority will be granted to recognized Mountain View Youth Sports Organizations and Mountain View Residents followed by Mountain View businesses and then all other groups. Groups will also be required to provide Liability insurance with City of Mountain View listed as an additional insured in order to receive a permit. Commercial activities for private profit except when approved by the city managers in conjunction with city-sponsored events are prohibited by City Code 38.

Maintenance:

Groups renting the athletic fields are responsible for prepping their own field and making sure the facilities and fields are litter-free at the end of each use. The City reserves the right to revoke any permit if the field has been abused or is not free from litter. All fields are subject to closure at anytime for maintenance and recovery. For more information, please refer to the City Council Policy No. H-7 or contact the Community Center by phone at (650) 903-6331.
